

Step1: Initial Instruction Generation (IIG)

Document Collection

Dolma

D1: When I was young, I told myself stories. Or rather, I lived in the stories I told myself. The backyard wasn't just a patch of dying grass and a rusted swing ...

D2: It's not a serious piece of kit, but you can have some serious fun with this little camera. It lacks the weather-sealing of a flagship and the menu ...

D3: This little beast isn't trying to compete with pro cameras, but boy, does it deliver. While the specs on paper might look modest, the sensor punch-out...

Instruction Back-translation

D1: When I was young, I told myself stories...

I1: Write an essay about your childhood memory.

score 3

D2: It's not a serious piece of kit, but you ...

I2: Write a review of a waterproof camera.

score 5

Refined D2: I was initially skeptical about the Canon D10, thinking it was just a novelty, but after watching a review ...

Step2: Iterative Instruction Refinement (IIR)
